### Retired school teacher charged in Child Predator Task Force investigation

**Wilmington** – As a result of a proactive undercover online investigation into the distribution of child pornography, officers from the Delaware Child Predator Task Force along with Delaware State Police Troop 2 executed a search warrant yesterday at a private residence at 17 Hunter Road in New Castle. Detectives seized seven computers and other digital media and an initial forensic review revealed multiple child pornography images and videos.

“I’m proud of the work that our Child Predator Task Force is doing every day to protect our kids,” Attorney General Beau Biden said.

John P. Robinson, age 64, an occupant of the residence, was arrested yesterday following an interview at Troop 6 and was charged with 20 counts of unlawfully depicting a child in an unlawful sex act. Robinson identified himself as a retired school teacher for the Vineland (New Jersey) School District, who formerly lived in Millville, NJ, and Philadelphia, PA. He was committed to Howard R. Young Correctional Institution in default of \$100,000 secured bond.
